

## **Things to look for when selecting a training program:**

When selecting a program to give you the best chances of obtaining regular work as a corporate flight attendant, you need to ask the following questions;

### ***Who can you call when you have a question or aren't sure what to do in a particular situation?***

Your training with Beyond and Above doesn't stop at the end of class, we offer ongoing support to our students who remain current in their training. We have done this since our first day in the industry.

### ***Will the company steer you towards Corporate Flight Jobs?***

You will continue to receive our support throughout your career. Beyond and Above offers each student a free subscription to a corporate aviation job board. Additionally, whenever we hear of positions for flight attendants opening up, we contact you to let you know.

### ***Do the educators and trainers have corporate aviation experience?***

Every one of Beyond and Above's staff is an educated aviation professional with real world experience in corporate flight operations. Our team of Pilots, Flight Attendants, Culinary, Safety, & Law Enforcement professionals have a combined 75 years of experience in their related fields.

### ***Does the course include COMPLETE training in all areas of corporate aviation?***

Upon completion of the Beyond and Above program you will have received a complete education in all major areas of the Flight Attendant position including;

Emergency Procedures and Safety  
Culinary, Catering, & Food Safety  
Crew Resource Management & FAR's  
AED, CPR, & First Aid  
Self Defense and Personal Safety

In addition this training is in  
Compliance with all FAR  
Parts 91, 125, & 135
